Comments & observations from members of the public and County and District Councillor reports

Caroline Abraham on behalf of the Comberton Community Swimming Club spoke to their application for funding for refurbishment of the pool, including the installation of a pool liner. She reported on the history of the Club, opening hours, funding, accessibility, management arrangements, safety officers, membership and costs. The plans, which are in two phases, were outlined. Mrs Abrahams highlighted that 64% of the members were from Comberton and the pool was also used by local schools. Other funding sources and fundraising activities are being pursued.

The Chairman indicated his intention to vary the order of business to take item 6.2 after item 2.

Cllr Sollom spoke to his written report, including:

- The refusal of the planning application in West Street. The Church End barn decision was still outstanding. He explained the reason for non-referral by the Planning Officer to the Planning Committee.
- The East West Rail response. Cllr Sollom expressed a preference for a route via Cambourne as a new station at Bassingbourn would only be ten minutes from Royston. CCC preferred the Bassingbourn route as the cheapest, and did not wish it to interfere with the proposed bus route.

Cllr Sollom was thanked for representing the Parish Council at a recent Planning Committee meeting.
